3rd IEEE International Conference on Advances in Electrical Engineering and Computer Applications (AEECA2022)

Invitation Letter

Organized by

Zhengzhou University

International Association of Applied Science and Technology (IAAST)

To whom it may concern,

The 3rd IEEE International Conference on Advances in Electrical Engineering and Computer Applications (AEECA2022) will be held in Dalian, China during August 20-21, 2022. It is organized by Zhengzhou University with an objective to serve as a platform for scientists, researchers, engineers and developers from a wide range of electrical engineering and computer applications to exchange ideas and applications. This will enable us to solve challenging problems in our society so that we may contribute to our world.

As an academic conference, AEECA2022 has got a lot support from universities, scientific research institutions, publishing houses, such as National Tsing Hua University, Beijing University of Technology, IEEE, Clausius Scientific Press, etc.

Herewith, on behalf of Organization Committee of AEECA2022, we are pleased to invite:

Name:
Organization:

to attend the conference and give an oral presentation.

We look forward to seeing you in Dalian, China!

Linda You
Conference Secretary of AEECA2022
